Summary

Data Scientist

Experience

Internship Trainee

National Telecommunication Institute (NTI)

Sep 2022 - Present (4 months +)

Education

Cairo University

Bachelor's degree, computers and artificial intelligence

National Telecommunication Institute (NTI)

Ai

Licenses & Certifications

Data Science & Analytics Intro - IBM

Python - IBM

Data Science Fundamentals - IBM

Data Understanding and Preparation - IBM

Cluster Analysis - IBM

Classification - IBM

Regression - IBM

Predict Employee Turnover using IBM Watson Studio - IBM

 **Identify Potential Repeat Customers for Your Business** - IBM

 **Analyzing and Predicting Heart Failure on IBM Cloud** - IBM

Supervised Machine Learning: Regression and Classification - Stanford University

Entrepreneurship - innovegypt

Issued Aug 2022 - Expires Oct 2022

Ai intern - National Telecommunication Institute (NTI)

HCIA-AI Course - Huawei

Skills

Deep Learning • Machine Learning • Artificial Intelligence (AI)
